# FORMULA FARA

Building upon a rich two-decade legacy that has encompassed both Formula and GT cars, FARA USA is embarking on an exhilarating journey back to its origins.

The unmistakable allure of open-wheel racing is set to rekindle the thrill in Florida, promising unparalleled competition and unforgettable moments that will set pulses racing.

## Ligier F4

With meticulous consideration, Formula FARA has selected the Ligier F4 as the vehicle of choice.

This decision ensures that local race teams can offer an unparalleled experience at an affordable price.

The Ligier F4 will make the Formula FARA program approximately around the \$100,000 price point.

Obviously prices may vary depending on the team, but FARA promises a thrilling entry into the world of open-wheel racing.

The Ligier F4, powered by the reliable Honda Engine and supported by the esteemed Quicksilver Racing Engines, will be the base platform for this program.

## Where Speed Meets Legacy:

Prepare for an adrenaline-fueled experience as Formula FARA races roar to life at two iconic venues - the Homestead Miami Speedway and the illustrious Sebring International Raceway.

Formula FARA is poised to create history once again. Will you be a part of this exhilarating journey? Stay tuned for further updates as we gear up for the remarkable return of Formula FARA - FF!

# OUR TEAM

---

"Our coaches are more than just instructors; they are mentors who share a common passion for racing. With their extensive experience and expertise, they provide personalized support to each driver, helping them hone their skills and reach new heights.."

Drivers that participate in the YACademy Winter Series have access to the best world class race car drivers as their instructors. Their experiences to lead the young drivers and help them become world class race car drivers.

## Gustavo Yacaman

Gustavo Yacaman, **co founder of USF JUNIOR now founder of Formula Fara**, has a vast experience in racing despite his young age.

He took part in top championships around the world like IMSA, FIA WEC, Blancpain GT, and numerous years in junior formula like Formula BMW, Formula 3, and Indy Lights.

This gave him all a lot of experience in order to run a successful series of his own. Taking the best of all the championships that he took part of and leaving all the negatives behind.
